

Thread adapter 5/8" to 1/4"

Adapter 5/8" to 1/4" - for line lasers and tripods

This robust adapter makes it easy to connect devices with a 1/4" connection, such as line lasers or cameras, to tripods or mounts that have a 5/8" thread. Its knurled surface ensures a secure grip when screwing and unscrewing, even when wearing work gloves. Made of high-quality plastic, it is durable and precise.

**Adapter von 5/8"-Innengewinde
auf 1/4"-Außengewinde**
