

Joiner's bevel 25 cm beech with brass fittings

High-quality joiner's bevel with stainless steel tongue

Sliding bevel for removing, marking out and transferring any angles. The slotted hole in the stainless steel tongue enables internal measurements and is locked in place with a wing nut. The milled grooves on the top and bottom of the handle ensure comfortable handling.

beech handle

Stainless steel tongue

Features

- Stainless steel tongue
- beech handle
- With brass fitting
