

Steel ruler 20 cm

Durable and easy-to-read rulers for measuring, drawing and cutting.

The rulers have a millimeter scale on the front and back. The numbers and graduation marks are deep black and always easy to read thanks to the anti-glare surface. The graduations are applied to the top and bottom edges. The zero point starts at the outer edge.

□
Permanently etched scaling

**Etched, abrasion-resistant scaling
on front and back**

Made of stainless steel

Features

- **Made of stainless steel**
- **Permanently etched scaling**
- **Etched, abrasion-resistant scaling on front and back**

Specifications

Dimensions	226 x 17 x 0,6 mm
Scaling	200 mm
Reading	1/1 mm / 1/2 mm
Measurement accuracy	0,07 mm
Weight	35 g
Warranty / Months	24
EAN	4012589661028
