

Steel ruler 40 cm

Durable and easy-to-read rulers for measuring, drawing and cutting.

The rulers have a millimeter scale on the front and back. The numbers and graduation marks are deep black and always easy to read thanks to the anti-glare surface. The graduations are applied to the top and bottom edges. The zero point starts at the outer edge.

Permanently etched scaling

Etched, abrasion-resistant scaling
on front and back

Made of stainless steel

Features

- Made of stainless steel
- Permanently etched scaling
- Etched, abrasion-resistant scaling on front and back

Specifications

Dimensions	427 x 25 x 1 mm
Scaling	400 mm
Reading	1/1 mm / 1/2 mm
Measurement accuracy	0,11 mm
Weight	85 g
Warranty / Months	24
EAN	4012589661042
