

Angle measurer hedue AW1

Analog angle measurer with horizontal and vertical vials

The analog angle measurer makes it easy to create and remove angles. The legs can be locked in place using a locking screw. Thanks to the horizontal and vertical spirit level, the D102 can also be used as a spirit level.

With horizontal and vertical vial

Made of aluminium

Analogue display by rotation clock

Features

- With horizontal and vertical vial
- Made of aluminium
- Analogue display by rotation clock

Specifications
