

Measuring wheel hedue MR3

Large wheel diameter for comfortable rolling even off-road with high accuracy.

A very robust measuring wheel with ergonomic turret handle. Easy to operate thanks to the stop button and zero button in the handle. Small packing size of only 53 cm thanks to the very robust folding mechanism. Reliable drive of the meter via a gear rod and not via a belt as is usually the case.

Reliable drive of the meter via a gear rod.

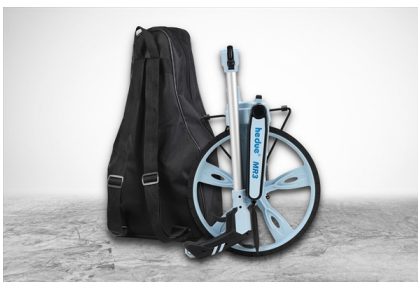

Collapsible

Ergonomic revolver grip
