

Digital spirit level hedue DL1

Thanks to compact design ideal for aligning kitchens and mounting windows.

The digital spirit level provides precise measurement results in degrees and millimetres. With a length of 40 cm, the DL1 is particularly suitable for aligning kitchen furniture and installing windows and doors. The reinforced aluminum profile of the digital spirit level guarantees perfect support on the workpiece, both horizontally and vertically.

The user-friendly display is easy to read in any position thanks to the switchable lighting. When measuring overhead, the display rotates automatically, minimizing reading errors.

For absolute and relative measurements

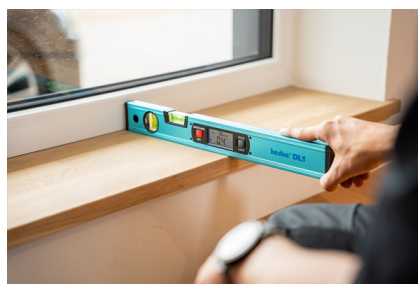

With horizontal and vertical vial

Easy to read display that rotates automatically during overhead measurements

Features

- With horizontal and vertical vial
- With reinforced aluminium profile
- Easy to read display that rotates automatically during overhead measurements
- Is already pre-calibrated
- For absolute and relative measurements
- Measured values can be frozen via Hold key

With reinforced aluminium profile

Specifications

Dimensions	400 x 21 x 50 mm
Measuring range	4 x 90°
Measurement accuracy	0,2°
Reading	0,1°
Type of battery	AAA
Number of batteries	2
Operating temperature	-10°C - +50°C
Storage temperature	-20°C - + 70°C
Warranty / Months	24
EAN	4012589775312

Scope of Delivery

- Batteries Alkaline
- QuickstArt
