

## stair tread gauge

**With six grope gauges made of hardened spring steel strip**

With the stair tread gauge, also known as a stair gauge, any shape of stair tread can be easily tapped. The stair tread gauge is therefore perfect for making templates. The 60, 80 and 100 cm long grope gauges are rotatably connected at the center.

**With stop**

**Made of hardened steel**

**Simple scanning of the shape of steps.**

### Features

- **Made of hardened steel**
- **With stop**
- **Simple scanning of the shape of steps.**
