

## AngleMaster

### Combines angle measurer, marking gauge and sliding bevel in one device

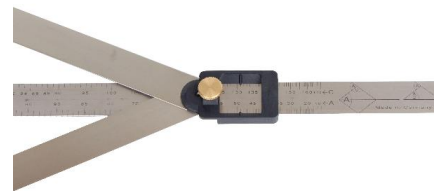

The AngleMaster is a 3-in-1 combination of angle measurer, marking gauge and sliding bevel. Both internal and external angles can be easily measured. Perfect mitre cuts are also no problem thanks to the automatic angle bisector. No other device offers such a high degree of flexibility when measuring angles.

**Made of stainless steel**

**Suitable for internal and external angles**

**Automatic angle bisector through the centre rail for perfect mitre cuts**
